

EXECUTIVE OFFICER SUMMARY REPORT  
**December 3, 2004**

ITEM: 9

SUBJECT: **CITY OF SANTEE'S SAN DIEGO RIVER PARK PLAN**  
Board Member Jim Bartell will present an overview of the City of Santee's San Diego River Park Plan including project priorities. *(Jim Bartell)*

PURPOSE: Information item.

DISCUSSION: Until the Conservancy has completed its formal Strategic Plan, I recommend that this document along with the Enabling Statute, San Diego River Park Conceptual Plan, and City of San Diego's Draft Master Plan informally serve as the Conservancy's initial planning and prioritizing efforts. These documents will also serve as the foundation (i.e., starting point) for the formal Strategic Plan.

LEGAL CONCERNS: None.

SUPPORTING DOCUMENTS: ***Santee's San Diego River Park Plan***  
Sent under separate cover to each Board Member by Melanie Kush, City of Santee, (mailed approximately October 21, 2004).

RECOMMENDATION: Accept report.
