

San Diego River Conservancy Proposition 1 Concept Proposal

Please submit Concept Proposal between December 12, 2019 – February 28, 2020, to both dustin.harrison@sdrc.ca.gov and julia.richards@sdrc.ca.gov. Complete all sections and use additional pages, if needed. The Conservancy will contact you upon receipt of concept proposal for next steps. If there are any questions, please contact Dustin Harrison by email or at 619.525.4094.

Grant Type	Check which box describes project type: <input type="checkbox"/> Acquisition <input type="checkbox"/> Development/Implementation		
Project Title	Provide a brief, descriptive project title:		
Applicant Name	Name of the applicant:		
Person Authorized to Sign Agreement	Provide name and title of person authorized to legally sign the grant agreement (signatory):		
Signatory Information	Provide Signatory's contact information:		
Applicant's Project Manager	Provide Project Manager's contact information:		
Eligible Entity	Check box for which organizational type the applicant falls under. If applicant does not fall under a listed category, the applicant is not an eligible entity: <input type="checkbox"/> Public agency <input type="checkbox"/> Nonprofit organization <input type="checkbox"/> Public utility <input type="checkbox"/> Federally recognized Indian tribe <input type="checkbox"/> State Indian tribe listed on the Native American Heritage Commission's California Tribal Consultation List <input type="checkbox"/> Water supply company		
FEIN			
Non-Profit	<i>Check box if applicant is qualified to do business in California and qualified under Section 501(c)(3).</i>		

	<p>Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p><i>If yes, provide 501(c)(3) nonprofit organization number:</i> 501(c)(3) nonprofit organization number: _____</p>		
Mitigation	<p><i>Is the applicant's project required mitigation from another project?</i> Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p><i>If yes, project is ineligible</i></p>		
Proof of Insurance	<p>Applicant must attach a copy of current insurance policy general liability and workers compensation required Conservancy endorsement language with a minimum of \$1 million per occurrence/ and \$1 million aggregate.</p>		
Project Summary	<p><i>Write a summary of the proposed project:</i></p>		
Proposition 1, Chapter 6 sets forth 13 specific purposes for the allocation of funds	<p><i>Applicant's proposed project meets the following purposes in support of Chapter 6 of Proposition 1 (California Water Code Section 79732(a))</i></p>		
	<p>Protect and increase economic benefits arising from healthy watersheds, fishery resources and instream flow.</p>		
	<p>Implement watershed adaptation projects in order to reduce the impacts of climate change on communities and ecosystems.</p>		
	<p><input type="checkbox"/> Restore river parkways throughout the state, including but not limited to projects pursuant to the California River Parkways Act of 2004 and urban river greenways.</p>		
	<p>Protect and restore aquatic, wetland and migratory bird ecosystems including fish and wildlife corridors and the acquisition of water rights for instream flow.</p>		
	<p>Fulfill the obligations of the state of California in complying with the terms of multiparty settlement agreements related to water resources.</p>		
	<p><input type="checkbox"/> Remove barriers to fish passage.</p>		
	<p>Collaborate with federal agencies in the protection of fish native to California and wetlands in the central valley of California.</p>		
	<p>Implement fuel treatment projects to reduce wildfire risks, protect watersheds tributary to water storage facilities and promote watershed health.</p>		
	<p><input type="checkbox"/> Protect and restore rural and urban watershed health to improve watershed storage capacity, forest health, protection of life and property, stormwater resource management, and greenhouse gas reduction.</p>		
	<p>Protect and restore coastal watersheds including but not limited to bays, marine estuaries and nearshore ecosystems.</p>		
	<p>Reduce pollution or contamination of rivers, lakes, streams, or coastal waters, prevent and remediate mercury contamination for legacy mines, and protect or restore natural system functions that contribute to water supply, water quality, or flood management.</p>		

	<input type="checkbox"/> Assist in the recovery of endangered, threatened, or migratory species by improving watershed health, instream flows, fish passage, coastal or inland wetland restoration, or other means, such as natural community conservation plan and habitat conservation plan implementation.		
	<input type="checkbox"/> Assist in water-related agricultural sustainability projects.		
GPS Coordinates	<i>Geodetic datum:</i> _____ <i>Coordinates:</i> _____		
Information Regarding Project Budget	<p>Planning costs are limited 10 percent (10%) of the total grant amount and shall only be incurred after the start date of the Grant Agreement.</p> <p>Project administration costs are limited to 15 percent (15%) of total grant amount and shall only be incurred after the start date of the Grant Agreement.</p> <p>Applicant must submit methodology and calculations to determine administrative overhead rates, which are subject to approval by the Conservancy prior to the start of each project.</p>		
Project Amount Requested	Provide project amount requested from the Conservancy \$ _____		
Matching Funds	Provide estimated amount of matching funds or in-kind contributions: \$ _____		
Total Project Cost	Provide total project cost, including any cost share and matching funds. \$ _____		
Project Readiness	Anticipated project start and end dates: <hr/> <p style="text-align: center;">Project should be shovel ready within 12 months of submitting application</p>		
Project Area Ownership	<i>Check box if land where project will occur (or will require access to enter) is owned by a private entity, state, federal, or other. If yes on any box, provide name of land owner(s):</i> Private Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, _____ State Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, _____ Federal Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, _____ Other Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, _____		
APN(s)	<hr/>		
Project Acres	<hr/>		

Jurisdiction of Project	<p><i>Check the box that applies</i></p> <input type="checkbox"/> City of San Diego <input type="checkbox"/> County of San Diego <input type="checkbox"/> City of Santee <input type="checkbox"/> City of El Cajon <input type="checkbox"/> Lakeside <input type="checkbox"/> Other: _____		
Jurisdiction Approval	<p><i>Has written approval been provided by the jurisdiction in which the project will be taking place? This does not apply if an agency is applicant.</i></p> <input type="checkbox"/> No. Must be provided with full application. Yes. Please attach.		
Land Tenure/ Site Control	<p>Applicants for projects must submit documentation showing that they have adequate tenure to, and site control of, the properties to be improved, restored or acquired.</p>		
Right of Entry	<p>If project site is not owned by the Applicant, Right of Entry permit must be obtained and provided to the Conservancy prior to project implementation.</p> <p>Please attach draft of Right of Entry document with this proposal for the Conservancy's review</p> <p>Proof of adequate land tenure includes, but is not necessarily limited to:</p> <ul style="list-style-type: none"> • Fee title ownership. • An easement, right of entry or license agreement. • Other agreement sufficient to give the applicant adequate site control for the purposes of the project and long-term management. • For projects involving multiple landowners, all landowners or an appointed designee must provide written permission to complete the project. <p>Summarize all steps taken to date to obtain required land tenure documentation:</p>		
Project Map	<p>Attach both a location and project specific map to this document.</p> <p><i>The project specific map must include clearly delineated project boundaries and legend. All maps must be labeled with project title, applicant name, and be positioned so that relevant map information such as stream names, towns, main roads, and water bodies are not obscured.</i></p>		
Site Description	<p>Provide the physical description of terrain and land cover type(s):</p> <p>Watershed name: _____</p> <p>Tributary: _____</p> <p>Habitat Type: _____</p>		

Work history	<p>Has Applicant been awarded a grant or contractual obligation that was subsequently suspended or canceled? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, please explain</p> <p>_____</p>		
Project Objective(s)	<i>Objectives are specific, objective, achievable, and measurable. List measurable outcomes for the project:</i>		
Project Goal(s)	<i>A goal can be viewed as an aim or desired outcome. List desired goals, milestones and outcomes for the project:</i>		
Monitoring and Assessment	<i>Identify specific performance measures designed to assess progress towards achieving the objectives. Include a description of the approach for monitoring, assessing, and reporting the compliance and effectiveness of the project, which is consistent with the project's objectives. Describe any baseline monitoring that will be conducted in order to support pre- and post- project evaluation following implementation of project.</i>		
Data Management	<i>Describe how data and other information generated by the project will be handled, stored, shared (i.e., disseminated to the public, participants, and stakeholders) and provided to the State.</i>		
Deliverables	<p><i>Deliverables will consist of the following:</i></p> <p><i>Before and after photo documentation of project site</i></p> <p><i>Assessment and Monitoring plan</i></p> <p><i>Quarterly invoices to the Conservancy</i></p> <p><i>Quarterly progress reports to the Conservancy</i></p> <p><i>Final Project Report</i></p>		
Licensed Professional	<p><i>Is a licensed professional needed? If so, check appropriate box, provide license number affiliation and contact information:</i></p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Name: _____</p> <p>License no. _____ expiration _____</p> <p>Contact info: _____</p>		

Implement Actions of the California Water Action Plan	<p><i>Does project implement actions of the California Water Action Plan?</i></p> <input type="checkbox"/> No <input type="checkbox"/> Yes, explain <hr/>		
Consistency with and Implementation of other Plans	<p><i>Check box if project has consistency with and implementation of other plans (e.g., other relevant local, state, or federal plans or policies):</i></p> <input type="checkbox"/> No <input type="checkbox"/> Yes. If yes identify the plan(s).		
Application to Other Grant Programs	<p><i>Check box if a proposal has been submitted to another grant program for this project (i.e., that would fund the same project components applied for in this application.) If yes, identify programname(s):</i></p> <input type="checkbox"/> No <input type="checkbox"/> Yes. If yes identify the other program(s)		
References	<p>Applicant must provide 3 references for past work history for projects of a similar nature. Include firm name, project location, project costs and contact information: DO NOT USE THE SAN DIEGO RIVER CONSERVANCY AS A REFERENCE</p> <p>1.</p> <p>2.</p> <p>3.</p>		

I certify that the foregoing statements are true and complete to the best of my knowledge and belief, and understand that any willfully false statement may cause the agency to reject this concept proposal. This certification is made under the laws of the State of California.
