

# LAKESIDE POLO CLUB & RVEC

August 28, 2020

To Whom it May Concern:

We are writing in regard to the future of the land adjacent to our property. The land has been utilized by our family since we have owned the property, and has become vital to our operation as a non-profit, boarding facility, polo club, and more.

Since 2014, we have been blessed with the opportunity to care for this land and steward it well. As an organization and family, we have a vision for protecting and preserving the River Valley and all that it has to offer.

Our organization provides a unique opportunity for the people in our community to learn to appreciate and care for nature. So far, we have been able to accomplish that through our youth programs, events, trail rides, horsemanship, and more. We genuinely hope that we can come to a mutually beneficial agreement, that will allow us to keep caring for the land we cherish.

Sincerely,

Darin & Nicole Bankhead
